

# Mohem Token (MOH) Whitepaper

## 1. Introduction

Mohem Token (MOH) is a decentralized token on the BNB Smart Chain (BEP-20), launched in July 2025. Our mission is to empower local economies with low-cost crypto payments, provide blockchain education, and develop a Play-to-Earn gaming ecosystem. This whitepaper outlines our vision, tokenomics, and roadmap.

## 2. Vision & Goals

- Enable instant, low-fee transactions for local businesses.
- Offer accessible blockchain education to global users.
- Create Play-to-Earn games rewarding MOH tokens.
- Maintain transparency with open-source development.

## 3. Technology

- Blockchain: BNB Smart Chain for low-cost and fast transactions.
- Smart Contracts: Audited by third-party firms (pending).
