

Mohem Token (MOH) Whitepaper

Mohem Token Team

August 2025

Introduction

Introducing Mohem Token (MOH), a decentralized token on the BNB Smart Chain (BEP-20), launched in July 2025. Our mission involves empowering local economies with low-cost crypto payments, providing blockchain education, and developing a Play-to-Earn gaming ecosystem.

Vision & Goals

- Enabling instant, low-fee transactions for local businesses.
- Offering blockchain education to global newcomers.
- Developing Play-to-Earn games rewarding MOH tokens.
- Ensuring transparency with open-source development.

Technology

Utilizing BNB Smart Chain for low-cost and fast transactions.

- "Blockchain": BNB Smart Chain for low-cost and fast transactions.
- "Smart Contracts": Audited by third-party firms (pending).
- "Security": Multi-signature wallets and regular audits.
